# President's Corner

-By Rick Holbrook

The more things change the more they stay the same.... You could say that phrase, may be the theme of the coming year. I will be continuing on the board for the next two years. Flanked by many of the same members I have served this club with over the past eight years. Tommy Belfiore will take over as the member at large representing the vintage gang. I would like to thank Paul Fererria and his wife June for a great job taking care of the Vintage division over the past year. I would also like to thank David Prickett for his efforts leading the club last year. David provided a different perspective on many issues. These perspectives will be carefully considered going into the future.

Speaking of the future, Members of the Midget division met this past weekend in Manteca for a rules forum. Several possible rule changes were discussed with few changes actually happening. I feel like this is a positive sign, The Midget division had a pretty nice season in 2011 considering the current state of the economy. The board is looking forward to another great season coming in 2012. Several board members including myself And Linda Manning will be attending the RPM Promoters workshop the first week of December held at the Eldorado Hotel and Casino in Reno. The focus is always on improving the club. Linda and I typically sit in on several forums relating to race promotions. These forums provide insight and ideas to better help BCRA interact with the several race track promoters we work with. We will also be focusing on the 2012 racing season schedule for all three of the club's divisions, I am sure scheduling for the coming season will provide its challenges, (as it always does). However I am confident the board will be able to secure a great schedule participating at our great state's very best racetracks. I will report back to everyone next month in this column.

Finally, I am honored to be back on the board for another two years and I would like to welcome the new board back and thank them for electing me to this post. I will do my best and promise to work hard to help BCRA grow and prosper.

See ya! Now back to the garage.

## **November 8, 2011, Board of Director's Meeting Minutes cont.**

Committee Reports: Awards Banquet; Linda reminded all in attendance of the importance of and the need for trophy sponsors for the Banquet. She also reminded all of the need for raffle prizes. She also announced that the banquet will again be held at the Clarion Inn and Suites in Stockton. Room rates and dinner prices will be announced in the coming newsletter. Linda also explained how the process for sponsoring trophies works and that the sponsors garnered this year for trophies will actually pay for trophies at next years banquet. Linda informed the board of the need for 48 sponsors in each division.

2011 T shirts; Linda and Rick are in the process of acquiring estimates for the 2011 championship T shirts. David noted that Ken Gonzales at Printworx has agreed to hold his prices from last year.

Division reports: Vintage Division. Tommy reported that the vintage division had four cars at Lake Havasu Speedway for a big vintage get together. Tommy reported a great night of exhibition racing with a field of 14 cars.

Midget Lite Division; the final race of the 2011 season went in the books with Jason Snee putting a wrap on his second straight driving championship by picking up his 11<sup>th</sup> win of the season. In a tight race for the owner's championship, it came down to the final race between Wayne Albright and Cameron Beard. Cameron had mechanical woes during the Main and Wayne picked up his first owners championship with his son Dakota manning the wheel. Reporting for his Dad, Dakota reported Craig Holstead was on his way to his career best finish until he lost a chain towards the end of the feature.

The board hosted a "Brats and Beverages" BBQ after the event with a great time being had by all.

Tim Grant was on hand to present samples of various art works that may be used for the Awards banquet. Tim also provided a price schedule for the work.

**Bay Cities Racing Association, (BCRA)**  
**Announces Election Results for the**  
**Board of Directors for 2012**

On October 23, 2011, the annual General Membership meeting of the corporation was held in Tracy, CA to review the corporate by-laws, the 2011 season, and elect members to the Board of Directors.

First, several by-laws change proposals were distributed to the audience regarding meeting places, increasing the number of Directors, and the regularity of the monthly meetings to a quarterly meeting. The members defeated all proposals.

The next order of business was to accept nominations for the following Directors whose terms were expiring:

David Prickett, Car owner ; Joe Lindsey, car owner; Rick Holbrook, Driver, and Paul Ferreira, At Large (Vintage) Director.

Nominations were received from the floor, and after every nominee had the opportunity to introduce themselves, and state what they intended to do to improve BCRA, a secret ballot election was held.

The results of the election were: Rick Holbrook, Joe Lindsey, Tom Belfiore, and Bob Roza were elected to the Board with officer positions to be determined at a future Board of Directors meeting by the directors in accordance with the by-laws.

Next, President Prickett thanked all for their interest and attendance to this very important meeting, and the willingness of many to be nominated for the election, and further thanked Paul Ferreira, (and June) for their service to BCRA. President Prickett also mentioned after the Chowchilla race on the 29<sup>th</sup>, BCRA would host a Brats and Beverage celebration for all to celebrate the end of another fine season.

**To: BCRA Midget and Midget Lite Car Owners/ Drivers and Board of Directors:**

At the recent BCRA Board of Directors meeting, Bob Roza and Orv Johnson presented the following proposal to the Board for their consideration and approval.

Bob, representing the Midget Division is volunteering to act as a clearing house for Midget parts in Oakdale and Orv, in Sacramento is willing to do the same with Midget Lite parts. Their mutual goal is to collect any usable parts such as tires, wheels, shocks, springs, gear sets, sprockets and anything else that are usable for the purpose of offering these items at little or no cost with the purpose of getting more cars to the track. Say a car owner would like to race, but is not able to buy a wheel or tire, we ask them to call Orv or Bob and we'll try to find the part (tire, wheel, shock, or spring, etc.) in order for them to race. So, let's work together to get cars to the track, and increase car counts. So car owners, if you have extra parts lying around, and you doubt that you'll ever use them again, please call Orv or Bob, so we can start an inventory of available parts to help others get to the track. On a similar note, if you see a new car at the track, take the time to introduce yourself and welcome new members and offer assistance to get these folks off to a good start with BCRA. And thanks to the BCRA Board for their approval, and everyone for the anticipated cooperation.

On Tuesday, November 8, 2011 the new and old Board members met at their monthly meeting in Tracy.

An unusual situation had Directors Joe Lindsey, who was out of town on business and Wayne Albright, at home recuperating from knee replacement surgery, listening and participating in the meeting via a conference call.

The first order of business by President Prickett was to receive nominations for officer positions for 2012. The Board elected Rick Holbrook to be President, Nick Foster Jr. to remain as Vice President, Joe Lindsey to remain Treasurer, Bob Roza to serve a Secretary, Wayne Albright to remain as Sargent at Arms, and Lonnie Lopez to be the Midget Lite Director, and Tom Belfiore to be the Vintage Director.

After completing the regular business, Board members thanked David Prickett for his hard work and dedication as President for BCRA during the past year.
