It is now that time of the year we all look forward to, the Hall of Fame picnic. This is your final chances to purchase your tickets for the picnic August 6<sup>th</sup> at Placerville Speedway. Remember, prices go up the day of the picnic and the more pre-purchase tickets we sell, the better we can provide the correct amount of food.

It was very sad to have the passing of Dallen McKenney this month, but thank you to all the teams that showed up to Madera Speedway July 16<sup>th</sup> and helped us honor him on the front straightaway during opening ceremonies.

If you have cars sitting around because you need parts, remember Bob Roza and Orv Johnson are your connection to getting back on the track. Give them a call, and see if they can find what you need to go racing!!! Car count is one of the main topics when we book races for the next season. So the more cars we can get out now, the better schedule we can put together next year.

All in all, keep up the good work all, and see you at the races!!!

## BCRA/USAC MIDGET DRIVER DALLEN MCKENNEY PASSES AT 42

Dallen McKenney born October 5, 1968, passed away Sunday morning after a 1 year battle with Leukemia. Dallen was a successful USAC and BCRA Midget driver before an accident at Madera Speedway in September of 2008 almost took his life. Dallen came back from that incident as crew chief, along with father Roy McKenney, to put the families #88 Midget back in victory lane in 2009 and 2010 with driver Tanner Swanson. Dallen was also involved in his sons, Dustyn and Carson, racing careers, setting up their cars in the quarter midget and mini sprint divisions. Dallen did not start his racing career in open wheel cars though. Dallen was a

motocross rider for many years before coming to mini sprints and midgets.

There will be a memorial for Dallen at 11 a.m. Thursday, July 14, 2011 at Clovis Hills Community Church in Clovis. Remembrances can be sent to Gift Administration, City of Hope, 1500 E. Duarte Rd. Duarte, CA 91010

**To: BCRA Midget and Midget Lite Car Owners/ Drivers and Board of Directors:**

At the recent BCRA Board of Directors meeting, Bob Roza and Orv Johnson presented the following proposal to the Board for their consideration and approval.

Bob, representing the Midget Division is volunteering to act as a clearing house for Midget parts in Oakdale and Orv, in Sacramento is willing to do the same with Midget Lite parts. Their mutual goal is to collect any usable parts such as tires, wheels, shocks, springs, gear sets, sprockets and anything else that are usable for the purpose of offering these items at little or no cost with the purpose of getting more cars to the track. Say a car owner would like to race, but is not able to buy a wheel or tire, we ask them to call Orv or Bob and we'll try to find the part (tire, wheel, shock, or spring, etc.) in order for them to race. So, let's work together to get cars to the track, and increase car counts. So car owners, if you have extra parts lying around, and you doubt that you'll ever use them again, please call Orv or Bob, so we can start an inventory of available parts to help others get to the track. On a similar note, if you see a new car at the track, take the time to introduce yourself and welcome new members and offer assistance to get these folks off to a good start with BCRA. And thanks to the BCRA Board for their approval, and everyone for the anticipated cooperation.

## **BCRA MIDGETS RESCHEDULE JUNE 10 DATE AT SILVER DOLLAR SPEEDWAY TO AUGUST 5**

After much deliberation, the Bay Cities Racing Association Midgets will be rescheduling their June 10th date at Silver Dollar Speedway to August 5th. And with the USAC Western Classic Sprint cars being on the ticket, BCRA will co-sanction the Midget portion with USAC as well.

This event will become part of BCRA's Hall of Fame weekend, with the BCRA Midgets running at Placerville Speedway Saturday August 6<sup>th</sup>. Preceding that event will be BCRA's Hall of Fame picnic and induction ceremony.

"I am very excited to have 2 big races on our Hall of Fame weekend again this year," says BCRA President David Prickett. "Last year, we had 25+ car fields both nights. This year, I hope for the same, and to get more people interested in the picnic as well."

BCRA's Hall of Fame was created in 1983 to honor its members who contributed to the club. Johnny Boyd was the sole inductee in 1983, followed by Fred Agabashian and Jack London in 1984. Other well known Midget names have been added to the list over the years like Vukovich, Nichols and Gurney.

"I encourage everyone that will be around the El Dorado County Fairgrounds that Saturday (August 6, 2011) to stop by," says Prickett. "It is a great time to talk to Midget racings past and present, as well as a raffle and a great lunch before a night of racing."

Full details on these 2 events and where to buy tickets for the picnic will be coming shortly. For more news and results, go to [www.bcraracing.com](http://www.bcraracing.com).

## Silver Dollar Speedway – Chico, CA Jason Sneep Continues to Dominate July 1, 2011

This would be the first trip to Silver Dollar Speedway for the BCRA Midget Lites in several years and we were all were looking forward to racing this famed track. There were seven teams of Midget Lites that checked into the pits on this hot afternoon.

Last weeks odd rain storm had left the pits a little difficult to maneuver the rigs in as the mud had not completely dried up. But with the help of the track tractor all were soon unloading and getting set for a great night of racing.

Hot laps proved to our racers that this was going to be a fast track as many returned to their trailers to make adjustments to their set ups.

All cars were to compete in one heat race for the night but it proved to be exciting as Richie Hoover in the #75 car starting on the outside pole jumped out to a quick lead. By the end of lap one Jason Sneep in #11x had moved up from third to second to challenge Hoover with Zack Beard in the #77 following right behind. But Hoover held on to his lead throughout the 8 laps. Meanwhile Cory Green in the #53c was on the move starting in the last place position and moving up to finish 4<sup>th</sup>.

Green starting on the pole for the main event with Beard beside him brought the field to green but Green in the #53c hit a greasy spot on the backstretch allowing Beard #77 and Sneep #11x to take advantage and move past. Beard was quickly overcome by Sneep as he made his pass on lap 3 for the lead and began to distance himself from the field. Meanwhile Green racing hard to get past Beard returned to the #2 position and was chasing down Sneep. Hoover in the #75 had to pull off the track with an overheated race car on lap 10 but the field stayed green. Dakota Albright in the #35jr now racing in the 4<sup>th</sup> position followed by Rick Soto in the #30 as he made the pass on Craig Holsted in the #74. Both Sneep had Green had lapped the last place cars as the 20 lap feature went from green to checkered with no cautions and Sneep in the #11x once again found victory lane! Sneep, the 2010 Midget Lite champion now holds the win in 5 out of 6 races this season.

**Main:** 11x Sneep, 53c Green, 77 Beard, 35jr Albright, 30 Soto, 74 Holsted, 75 R. Hoover

**Heat:** 75 R. Hoover, 11x Sneep, 77 Beard, 53c Green, 30 Soto, 35jr Albright, 74 Holsted

## Jason Sneep Continues to Dominate the 2011 Season with Win #6 Marysville Raceway Park July 9, 2011

The Midget Lites made their final trip to Marysville Raceway Park for this season on Saturday night.

There were eight teams that checked into the pits including one new team with rookie driver Howard West with his father as his crew chief. Howard will be piloting the # 7 car. We are excited to have them racing with us.

The 1<sup>st</sup> heat race started with Richie Hoover #75 on the pole with Dakota Albright #35jr beside him but soon the order would change as Cory Green in the #53c quickly moved into 2<sup>nd</sup> place on lap 2 and Jason Sneep in the #11x moving up to 3<sup>rd</sup> on lap 4. New comer Howard West #7 had chain problems and pulled into the infield early in the race and Rick Soto #30 was fighting an electrical problem pulled off on lap 6.

After the inversion was drawn for the evening Albright in the #35jr was sitting on the pole with Sneep #11x on the outside front row. Sneep quickly took the lead as Albright jumped in behind him. Green made the pass on Hoover to move into 3<sup>rd</sup> on the 2<sup>nd</sup> lap. Craig Holsted in the #74 car spun coming out of turn 1 on lap 6 and recovered without bringing out the yellow but now found him a lap down from the field. Hoover pulled off on lap 15 with suspension problems. Green and Beard were racing hard together when Green spun on lap 16 bringing out the 1<sup>st</sup> caution of the evening. The racing continued for the 20 lap feature with Sneep once again finding victory lane and continuing to dominate this 2011 season.

With the season officially at the half way point, there is still a lot of racing to come. In fact come join the BCRA Midget Lites for a full weekend of racing on July 23<sup>rd</sup> and 24<sup>th</sup> at Antioch Speedway on Saturday and Merced Speedway on Sunday. It should be a great weekend of racing.

Madera 7/9 & Lakeport 7/16  
BCRA Vintage Midget's

Having fun and getting it done, Madera July 9<sup>th</sup>, was pretty much the same as usual. Track time was limited, but we think they tried work us in, it's just that they have too much going on. With Linda Manning's help we got 2 warm up sessions and a 10 lap main, which made the group really happy. The crowd was a little small, but the racing was great.

The opening ceremony, was a real nice memorial to Dallen Mc Kenney, Linda Manning reviewed his life. All The BCRA members went to the infield for a tribute to him and a victory lap was ran in his memory. The weather at Madera was in the mid 70's and with all the other groups to watch, time went very quickly. The regular midgets put on a great show, so it turnout to be a fun day.

On hand were; Paul Ferreira #1, Jim De Jong #4, Paul Farajian #14, Tom Belfiore #16, John Kunstal #20, Don Strauch #26 & Norm Gray #30.

Than we head home to get ready for Lakeport on Saturday, July 23<sup>rd</sup>. 8 vintage cars came to Lakeport to play and put an exhibition for the fans. It was another fun day as we had 3 practices, 1 hot lap and a 10 lap main, some of the vintage guys stayed over from Friday. Pit gates open at 10 AM, parking in the pits was a little tight for the late arrivals, but it worked out.

Then things started happening around 12:30 PM, there were a lot of other groups there as always. They even had racing, lawn mowers, a little dirt track was made in the infield for them to run on, they, were fun to watch. The regular midgets put n a great show as usual, fast with real close racing, all and all it was great.

Our regular group on hand; Paul Ferreira #1, Mike Luddon #3, Jim De Jong #4, Paul Farajian #14, Tom Belfiore #16, John Kunstal #20, Ron Dunn #23 & Norm Gray #30.

Until the next pit stops, we are playing with WRA at Hanford July 30<sup>th</sup> and an exhibition at BCRA Hall of Fame Picnic July 6<sup>th</sup> at Placerville.
