President's Corner

-By David Prickett

We have reached the end of a great year. I want to thank everyone who has supported BCRA and myself this season. The Midgets have made a great improvement over years past, the Lites showed that 2012 looks to be the start of their comeback, and the Vintage is steady and a joy to be around.

I am sad to say that I will not be a part of the Board of Directors any longer and I wish the new Board all the best. It has been an eye opening experience for me and the Board does more than most members know. I encourage all members, at one point or another, to attend a Board meeting and get involved with the future of the club.

Now we turn our focus to the Annual Awards Banquet. Please get your reservations in early and we always need Awards Sponsors.

Finally, if you have a car or know someone who has a car, I encourage you to get to a race here at the end of the season. See you at the races!!!

Roseville's All American Classic VI
September 22,23,24/2011

West Capital Raceway, Alumni Association, All American Vintage Classic VI, September 22/23/23/2011. What a great event it was, Bonnie Chisholm and her gang really did a great job.

Thursday 9/22 things started happening for the early arrivals. There were no track activities, so you just found yourself a pit spot and unloaded your car and stuff. Around 6:30pm they had a no host chili feed, it was great, lots to eat. After the feed they had vintage race movies night with popcorn, movies of West Capital and Roseville All American Raceway, they were fun to watch. Before the movies racing historian and book author Tom Motter sang Back Home Again In Indiana, he sounds just like Jim Neighbors and did a real good job. Things broke up around 10pm for the night. The weather in Roseville was a little hot but not unbearable.

Friday morning 9/23 started out with a swap meet, checking in and visiting with old friends. Track activities started at 4pm Friday with 3 times out for each group and that last until 10pm.

Saturday 9/24 things again started out with the swap meet in the morning fooling around with the cars and more cars started showing up. So things got real busy around 11am. They had a racecar show with all kinds of cars to look at in the area behind the grandstand, where booths were set up with lots of good stuff for sale, racing pictures and racing books to view and buy.

Trivia Question:

October 11, 2011, Board of Director's Meeting Minutes cont.

The BCRA board of directors will host a season ending BBQ to finish off the night. The board would also like to congratulate Jim Fowler on his 4th consecutive championship, Nick foster Jr on his third Championship, Jason Sneep on his 2nd Championship. This final race will also decide the Midget Lite owners championship. Wayne Albright is currently leading with Cameron Beard in close pursuit. Good luck to both teams.

Old business: Bob Roza thanked the board for the article in last month's newsletter asking for used parts to help teams get their cars out to the track. He also thanked Chad Nichols for donating some wheels and tires to this effort.

Scheduling for the 2012 season was briefly discussed; it is in progress with conversations with track promoters being the topic. A questionnaire will be sent out to individual owners to get an idea of how many races they would like. Bob Roza also suggested possibly changing up the nightly programs with something like twin 25 lap mains Etc. The board is open to ideas. Rick motioned to sell the remaining 2011 t shirts at two for 30.00 the board approved the motion. Joe motioned to adjourn the meeting at 7:54pm Rick seconded. The motion was passed.

At 11:30 the BBQ got started, plenty of good food, tri-tips, chicken, pork ribs and beans. If you bought a BBQ ticket you got into the stands for \$5, what a good deal for all that racing, and they had lots of racing. Also there was a Hall of Fame Induction of new inductee's for West Capital Raceway Alumni Association. Inductees: Dick Boune, Brian Crockett, Wade Oldham, Jimmy Sills Jr., Don Tilford, Roy Wilhite.

The crowd was fair could have been a little bigger, but they really got with the show lots of applause, lots of noises for the guys and showed their appreciation. The pits were packed with lots of racecars, hardtops, sprints, super modifieds, track roadsters and midgets. Around 5pm Saturday night, they started racing, all groups ran heats and mains, The Ford focus and Legions also ran trophy dashes. They also had awards ceremonies, so it was a great weekend for all racers and fans. Everyone is looking forward to next year.

To: BCRA Midget and Midget Lite Car Owners/ Drivers and Board of Directors:

At the recent BCRA Board of Directors meeting, Bob Roza and Orv Johnson presented the following proposal to the Board for their consideration and approval.

Bob, representing the Midget Division is volunteering to act as a clearing house for Midget parts in Oakdale and Orv, in Sacramento is willing to do the same with Midget Lite parts. Their mutual goal is to collect any usable parts such as tires, wheels, shocks, springs, gear sets, sprockets and anything else that are usable for the purpose of offering these items at little or no cost with the purpose of getting more cars to the track. Say a car owner would like to race, but is not able to buy a wheel or tire, we ask them to call Orv or Bob and we'll try to find the part (tire, wheel, shock, or spring, etc.) in order for them to race. So, let's work together to get cars to the track, and increase car counts. So car owners, if you have extra parts lying around, and you doubt that you'll ever use them again, please call Orv or Bob, so we can start an inventory of available parts to help others get to the track. On a similar note, if you see a new car at the track, take the time to introduce yourself and welcome new members and offer assistance to get these folks off to a good start with BCRA. And thanks to the BCRA Board for their approval, and everyone for the anticipated cooperation.

“Jimmy Sills Classic” At Shasta
October 8, 2011

Saturday October 8th vintage guys made the trip to Anderson, Shasta Raceway Park for a combo show with USAC. As usual Rick Faeth took real good care of the vintage guys with lots of track time. We had 2 practice sessions, trophy dash, heat race and a main event. We ran along with 410 sprint cars and Ford focus midgets. First place in the main for the sprints was Tim Barber and Ford focus Keegan Walmer. The crowd was a little small, but the racing was good.

We started the show with 6 midgets, but couple of the guys had mechanical problems couldn't run the whole show. We all had fun the weather was great, the vintage guys really like running at Shasta, it's a good track. Our day started off with a stop at the Rolling Hills Casino for lunch. We got to the track around noon, kick tires for couple of hours. Practice started at 2pm.

Some of the guys that made the long haul were; John Kunstal #20, Paul Farajian #14, Tommy Belfiore #16, Harold Allen #04, Jim De Jong #4, & Paul Ferreira #1.

We didn't stay over, so we got back to the Bay Area around 2am, it was a long day, but a fun one.

Our next pit stop is Lakeport Speedway, October 15th, pits open at 10am and practice begins at 12:30pm.

Lakeport 10/15/2011

Lakeport, October 15th. Lakeport was fun as always, good field of regular midgets with great racing. We were a little light on vintage cars with only 5 but that's OK, as we have been getting a good car count all year.

All the groups had plenty of track time, we got 3 times out with a heat race and a main. The crowd was OK, not too big. They had plenty to see, with all that racing,, along with a great fireworks display and a demo derby.

It was a long day as the pits open early at 8 AM. The weather at Lakeport was good not too hot. Travis Berryhill, finish first in the midget main.

Well the regular midgets will be heading to Chowchilla for their last event. As for the vintage guys some of us are going south to Lake Havasu, November 3/4/5th, then Turkey Night in Irwindale, November 24th, and back to Willow Springs, for the "Walt James Classic" gathering.

Can someone please make a retraction as soon as possible?
