President's Corner

-By David Prickett

It has been a great year so far and now we're closing in on what appears to be great finale. With only a few races left in each division, car counts seem to be improving. This makes 2012 look like it will be successful as well.

Next month, October, will be our General Membership meeting. It is very important that we get participation from all of our members. This is the meeting where we elect our Board of Directors and vote on the way this club is run. If you have any ideas on how this club needs to change, please submit them to our business office and mark down the date on the calendar to be at the meeting.

Finally, if you have a car or know someone who has a car, I encourage you to get to a race here at the end of the season. See you at the races!!!

To: BCRA Midget and Midget Lite Car Owners/ Drivers and Board of Directors:

At the recent BCRA Board of Directors meeting, Bob Roza and Orv Johnson presented the following proposal to the Board for their consideration and approval.

Bob, representing the Midget Division is volunteering to act as a clearing house for Midget parts in Oakdale and Orv, in Sacramento is willing to do the same with Midget Lite parts. Their mutual goal is to collect any usable parts such as tires, wheels, shocks, springs, gear sets, sprockets and anything else that are usable for the purpose of offering these items at little or no cost with the purpose of getting more cars to the track. Say a car owner would like to race, but is not able to buy a wheel or tire, we ask them to call Orv or Bob and we'll try to find the part (tire, wheel, shock, or spring, etc.) in order for them to race. So, let's work together to get cars to the track, and increase car counts. So car owners, if you have extra parts lying around, and you doubt that you'll ever use them again, please call Orv or Bob, so we can start an inventory of available parts to help others get to the track. On a similar note, if you see a new car at the track, take the time to introduce yourself and welcome new members and offer assistance to get these folks off to a good start with BCRA. And thanks to the BCRA Board for their approval, and everyone for the anticipated cooperation.

BCRA Vintage Views Calistoga 9/3,4/2011 Louie Vermeil Classic

Hi, all, fun in the sun, boy did we have it, The Louie Vermeil Classic at Calistoga, Saturday, Sunday, the 4th and 5th of September. We had a great time on the ½ mile dirt track. Man you can fly on that thing, exhibition of course. The vintage cars all ran under the yellow flag to keep the speed down.

There were not as many midgets as we would of like to have, 5 in all with 8 sprint cars a couple of hard tops and one track roadster. Time was a little short as usual so we had to run together, we got 4 times out on the track, 2 times each night. The track was a little rough Saturday night, but it came in real good Sunday.

Things in the area got a little crowded, there was a big car show out in front of the main grandstand. Lots of classic cars, hot rods, and race cars. Louie Vermeil #7 and Walt Ross “56 Carmichael Auto Special” were displayed. There was wine tasting and autographs, table set set-up for past for past champions to sign autographs.

The weather was great not too hot as it got a little cold at night. We ran along with USAC midgets and sprint cars, there were several BCRA midgets on hand and they did real well. Our next pit stop for the vintage gang is Roseville September 22, 23,24th, All American Vintage Car Classic & West Capital Raceway Hall of Fame BBQ Picnic. So, It’s been a busy month.
